**RE: Your letters of August 30 and May 14, 2006**

Firstly, let me apologize for the delay in responding to your May letter. As you are likely aware, 2006 has been a very busy time for District Council and staff, with an increased volume of development proposals coming forward and the initiation of a Community Visioning project.

Representatives of Council would be happy to meet with your group at your convenience. At that meeting, we could discuss establishment of a 'Council Liaison' (similar to those Council maintains with groups such as the Chamber of Commerce, and others), if there is an interest on the part of the Forum. Please contact my office to arrange a meeting time that is convenient for the Forum membership.

In the mean time, we encourage Forum representatives to attend District public meetings to convey the views of this group to Council and staff. The District hopes to arrange general meeting with all interested community groups later in the Fall of 2006.

Yours truly,

**DISTRICT OF SECHELT**

Cameron Reid,  
Mayor
